Welcome to Woodbourn Stadium

This afternoon, we entertain one of our more distant visitors, The Carlisle Border Raiders. This is the first meeting at Alliance level between the two clubs, previously having been separated by various fixture formulae.

The Eagles have started the season well with good wins over both Oldham and Ryedale York in the opening week of the season, and are now placed at the top of the table with the maximum four points from two games. Carlisle have not yet obtained any points having lost in their previous game against Oldham by the score 18-28.

Lee Mowthorpe's dismissal for an alleged high tackle was unfortunate but justice, of a sort, was done at the disciplinary meeting last Thursday and Lee will be available to play this afternoon.

One player who may not play today is Mark Green who played, on approval, for Nottingham City at Barrow last Sunday. The fact that City won for the first time in eighteen months was, no doubt, due to Mark's sterling efforts in the second row, as well as the speed of A J Okiwe on the wing.

Next week, the Alliance team have the long haul to Workington Town before returning to Woodbourn for the home match against Swinton on Saturday, 26 September (2.30)
